PRODUCT DATA SHEET

Item Number	: TLS691
Item Name	: PIG® Leak Diverter for Pipes
Contents/Package	: 1 Leak Diverter, 1 drain fitting and 4 rubber straps
Colour	: Translucent, Yellow, Grey
Dimensions	: ext. dia. 61cm x 61cm H
Composition	: Diverter (Colours) - PVC, Polyester; Diverter (Clear) - PVC w/ Polyester Reinforcement; Straps – Rubber

Description

- Hangs from pipes to divert leaks to floor drains or containers via a drainage hose ensuring walkways and work areas are kept dry and safe, helping to prevent damage and slip accidents
- Flow rate is 12.6L per minute when used with 1.2cm ID Drainage Hose (hose sold separately)
- Built-in eyelets and rubber straps (included) make it easy to hang from an overhead pipe
- Nonpermeable tarp is vinyl-coated for strength and durability; resists punctures, UV and mildew for long life

Warnings & Restrictions	: Not suitable for temperatures over 77°C.
