Description

- Portable barrier forms a tight seal on smooth surfaces and is flexible enough to conform to irregular curves; diverts liquids away from drains and protects inventory and supplies
- Improved 2-layer construction resists rips and tears
- Made of flexible, non-absorbent polyurethane; resists water, oil and most chemicals
- Reusable; cleans easily with soap and water
- Create any shape or configuration — even join Dikes together with optional Corners and Connectors

Warnings & Restrictions : SPILLBLOCKER Dikes are designed for temporary use only. Pick up after each use, clean, then store properly. Do not leave down for extended periods of time.
