PRODUCT DATA SHEET

Item Number	:	MATE916
Item Name	:	PIG® All-in-1 Mat
Liquids Absorbed	:	Oil, Coolants, Solvents & Water
Contents/Package	:	1 tray, 10 pads/bag
Colour	:	Tray: Black with orange border; Pads: Grey
Dimensions	:	91 cm x 162 cm
Composition	:	Nitrile
Absorbency	:	58.5 L
Weight	:	23.2 Kg

Description

- Reusable, chemical-resistant nitrile rubber Tray features raised studs on back side for cushioning, comfort and aeration; offers workers fatigue relief and a secure surface to stand on that won't slip and slide underfoot, even on epoxy-coated or newly painted surfaces
- Gripping nubs on inside bottom of Tray hold absorbent HAM-O® Mat in place and eliminate unexpected movement
- HAM-O® Mat absorbs oils, coolants, solvents and water whilst non-permeable rubber Tray retains excess liquids to help keep floors dry around workstations and prevent slip-and-fall injuries
- Durable top Mat layer won't tear under heavy foot traffic whilst bevelled Tray edges create a smooth transition from floor to help prevent trip-and-fall injuries
- Exclusive "hamouflage" pattern makes leaks and drips virtually disappear, so Mat stays on the job longer
