PRODUCT DATA SHEET

Item Number	:	MAT4150
Item Name	:	PIG® Absorbent Mat Roll in Dispenser Box
Liquids Absorbed	:	Oil, Coolants, Solvents & Water
Contents/Package	:	1 Roll/Dispenser
Colour	:	Grey or Yellow
Dimensions	:	10 cm x 46 m
Composition	:	100% Polypropylene
Absorbency	:	20.4 L
Weight	:	2.1 Kg

Description

- 10 cm x 46 m rolls are ideal for covering long runs, narrow areas or placing in troughs; mat absorbs and retains leaks, condensation, and spills to stop them from spreading into walkways
- 100% polypropylene resists the growth of mildew, tearing and chemicals; reduces dust and holds in liquids, even when fully saturated
- Perforated every 25 cm so you can tear off as much as you need for the job
- Very effective and highly efficient for absorbing water; water-soaked mats can be air-dried and reused
- Eight layers of polypropylene are thermally bonded to make PIG Mat the strongest on the market; won't rip, tear or fray even when saturated
- Choose between dark grey colour which hides grime so mat stays on the job longer or yellow, which is hi-viz for high traffic areas, and easier to see in poorly lit areas. Specify colour when ordering.
